Stacking frames 22921 for pallet dolly

## Construction:

For parking flat pallets and pallet cages at an ergonomically comfortable level. Angle steel construction with catch corners, sturdy tubular supports with base plates. Stable support tubes with foot plates, to be inserted into corner sleeves at the stacking frame. Powder coated, anthracite grey RAL 7016. Stacking frames can be bolted tight with the pallet dolly via base plates and bolting set (included in delivery).
