Self-tilting boxes

## Construction:

Self-tilting boxes need not to be lifted for emptying. The empty box moves automatically back into loading position. Sturdy welded 3 mm sheet steel design, powder coated in RAL 5007 blue. Standard-fitted fork-lift sleeves, anti-roll safety device and tilt lock. Link chain as anti-skidding and safety device. Traction cable to activate tilting mechanism, operated from fork-lift truck driver's seat.

Item number with addition "A" means "with drainage tap".

## Technical details:
