

3/8" Ratchets - handy and compact!

Standard ratchet 3/8". Proven many times over!

With reverse feature directly on ratchet mechanism. Several of the 52 teeth engage simultaneously for transferring extremely high torque. Quick-release button for releasing sockets instantly. Head and shaft forged from one piece of CrV steel. Double nickel-plated with matt chrome-plated finish. Grip of oil and acid-resistant TPR (thermoplastic rubber) with useful hanging hole.
