

3/8" Ratchets - handy and compact!

Baton ratchet 3/8". Our sturdy ratchet!

Fine tooth drive: Several of the 72 teeth engage simultaneously for transferring maximum torque. Reverse lever for ratcheting direction. Quick-release button for releasing sockets instantly. Head and shaft forged from one piece of CrV steel. Double nickel-plated with matt chrome-plated finish. Grip of oil and acid-resistant TPR (thermoplastic rubber) with practical hole for hanging up.

NO 23 332

For full professional use!

Sockets and drive elements carry an additional **25 year guarantee** against faulty material and workmanship.
