

Infinitely variable electronic speed control for low and constant speeds even at high grinding pressure. Made in Europe.

Video WP/E
NEW!

Angle polisher WP/E

For perfect surfaces even in tight spots: For finishing of blank surfaces, cleaning, rust removal, for the "finishing touches" after varnishing.

Balanced special motor, powerful, quiet and long-lasting. Quiet planetary gear in die-cast aluminium housing and continuously variable speed control (full-wave electronics) for low and constant speeds even during high contact pressure.

Main housing of glass-fibre reinforced POLYAMIDE with soft component. Securely stored in stylish case made of high-grade polypropylene with original equipment for immediate use. Rubber backing disc with hook and loop fastening, polishing sponge (medium hard), lambswool polishing disc, polishing felt for metals and non-ferrous metals (medium hard), 12 sanding discs K 2000 and NIGRIN polishing emulsion (75ml) as well as a microfibre cloth.

The heart of our MICROMOT precision tools for 230V: the direct current (DC) special motor.

Technical data:

230V. 100W. 800 - 2,800rpm Length 270mm. Weight 720g. Insulated to class 2.

NO 28 660

Packed in storage case, including extensive original equipment for immediate use.

Accessories for the angle polisher WP/E

Rubber backing disc

For use with polishing sponge, lambswool polishing disc, felt disc, sanding discs and sanding fleece. With hook and loop fastening. Ø 50mm.

NO 28 548 1 piece

Professional polishing sponges

NEW

For applying the polishing emulsion to painted and metal surfaces with subsequent polishing. With hook and loop fastening. Ø 50 x 25mm.

NO 29 092	2 pieces	soft (black)
NO 29 094	2 pieces	medium (yellow)
NO 29 096	2 pieces	hard (white)

Lambswool polishing disc

Of high quality, dense lambswool for polishing scratch-proof paints. With hook and loop fastening. Ø 50mm.

NO 28 664 2 pieces

Polishing felt, medium hard

For polishing metals (e.g. stainless steel, brass and copper). With hook and loop fastening. Ø 50mm.

NO 28 666 2 pieces

Professional set for finish grinding and polishing **NEW**

Includes 80mm extension and 30mm backing pad (for hook and loop quick-fastening). For repairs and work in tight places, e.g. on motorcycles, rims, car interior and engine compartment. 80mm extension to reach also deep-lying problem areas. In addition to the extension and 30mm foam support plate, the scope of supply includes wave edged sanding discs each 12 pcs. 1,000 and 2,500 grit as well as conical polishing sponges each one hard, medium and soft.

NO 29 070

Super-fine sanding discs **NEW**

From silicon carbide. For adding finishing touches to paint or removing varnish runs and inclusions. Ø 50mm.
