

New cordless tool made in Europe. For professional use. Slim, powerful tools to get your hands on!

Cordless cylinder sander WAS/A

For perfect surface fine-finishing even where space is tight. For grinding, brushing, satin-finishing as well as cleaning of steel, non-ferrous metal and especially stainless steel.

Compact grinding mop cylinder (Ø 50 x 30mm). Continuously variable electronic speed control for constant speed even at high grinding pressure. Set includes lithium-ion battery Li/A2 (10.8V) and rapid battery charger LG/A. With satin-finishing cylinder "medium" and one each grinding mop cylinder 120 grit and 240 grit.

Technical data:

10.8V DC. Satin-finishing and grinding mop cylinder Ø 50mm, width 30mm. Spindle speeds 1,100 - 2,800/rpm. Length 305mm. Weight approx. 1,000g (including battery).

NO 29 825

See us on YouTube!

- High quality 10.8V lithium-ion battery with 2.6Ah for a performance comparable to the mains-powered counterpart.
- One battery charge allows for at least 30 minutes of use even at maximum power. No other cordless tool lasts longer in this class!
- Gear head of die-cast aluminium. Main housing of glass-fibre reinforced POLYAMIDE with soft component in grip area.
- With continuously variable speed control and special balanced DC motor: powerful, quiet and durable.

The WAS/A including suitable accessories come safely packaged in a practical, attractive and super-sturdy plastic case made of high-quality PP. A product label on the side of the box clearly marks its contents.

Cordless cylinder sander WAS/A, available individually

Including accessories as described above, but without battery and rapid charger. Packaged in cardboard box.

NO 29 827

Cylinders for cylinder sanders WAS/E and WAS/A:

Grinding mop cylinder for cylinder sanders WAS/E and WAS/A
